DOPPO' hauere al calor' delle gratie di V. S. Reu.^{ma} maturato i frutti de' miei oliui, è spremutone l'oglio di questi musici componimenti , era ben conueniente , che à V. S. R.^{ma} ancora li dedicassi, come quella, che per la nobiltà del Sangue, nella longezza di più secoli raffinato, per l'Ecclesiastiche dignità , dalle quali più ambita , che ambitiosa si dà à conoscere per l'eccelenza del suo suegliato ingegno con cui hà potuto felicemente correre l'arringo ne' studij delle più importanti, è difficili scienze, solleuandosi in esse con l'accutezza del suo intendimento sopra gl'altri ingegni, come à ponto la palma sopra l'altre piante più dozzinali s'inalza, e per la soauità de suoi ben regolati costumi rapresenta vn' tutto si armonicamente composto, che la rendono amabile, & amirabile à quelli ancora , che solamente per fama la conoscono. Non è già che io presuma con questo minimo tributo di ricognitione sottrarmi all'infiniti miei oblighi, che à lei, & à tutta la Nobilissimà sua casa professo: anzi che conoscendomi insuficiente a pagare vn debito di somma si rileuante, che vi è più mel' accrescon o le gratie, che continuamente riceuo dà suoi Signori fratelli , voglio almeno con questo ingenuamente attestarlo, essendo vna gran parte di sodisfattione al creditore la confessione d' vn' debito, che non si può pagare. Mà quando anche cessassero le ragioni sopr'accennate, che pure sono state l'vnico motiuo

di

poteuano essere ricouerarsi nel suo primo spontar' alla luce, per non restar' in vn' medesimo dal satirico dente della maledicenza lacerate, che sotto la protettione della nobilissima sua palma dalla generosità di due leoni assistita, & dalla vigilantissima custodia di reggio augello mantellata per custodire, credo io chi sotto tal'ombre salubri delle sue frondi pretende riposo? Hor' mentre si felicemente ricouerate godono del fedel' patrocinio di V. S. R.ma, io per gratitudine non men che l'opera, il cuore riuerentemente le consacro, restando di V. S. R.ma perpetuo obligatiss. Seruitore.
